**About the Manual**

- **Read this manual thoroughly before using the camera.**
- **Important maintenance and repair or replacement of parts due to normal wear or tear are not covered by the warranty.**
- **Warranty of the products.**

---

**Troubleshooting**

- **Battery Life:**
  - If for some reason your battery can’t be charged, try a different battery or a different charger.
  - If your battery seems to be draining quickly, try a different battery or a different charger.

---

**Specifications**

- **Model:** Nikon D5600
- **Format:** DX (APS-C)
- **Sensor:** CMOS 24.2MP
- **Aperture Range:** f/3.5-5.6 (at 0.8× zoom)
- **Shutter Speed:** 30 sec to 1/8000 sec
- **ISO Range:** Auto, 100-6400
- **Battery:** EN-EL14a (1500mAh)
- **Memory Card:** SD/SDHC/SDXC
- **File Format:** NEF (RAW), JPEG (Fine, Normal, Basic)
- **Image Size:** 24.2MP (4 knees to 8000)
- **Metering:** Multi, Center-weighted, Spot
- **Focus System:** AF-S, AF-P, AE
- **Autofocus Area:** 205 AF points
- **Autofocus Mode:** Single, Continuous, Dynamic
- **Frame Rate:** Approx. 6.5 frames per sec
- **EV Range:** -2 to 19 in 1/3 EV steps
- **White Balance:** Auto, Sunny, Cloudy, Cloudy, Fluorescent, Incandescent
- **Image Quality:** NEF (RAW), JPEG (Fine, Normal, Basic)
- **Video Format:** HD (1920×1080)
- **Video Recording Time:** Approx. 30 min

---

**Caring for the Camera**

- **Storage:** The camera will be safest if you use a padded case to store it. If the camera is not to be used for an extended period, turn the camera off and remove the battery. Do not store in locations that are:
  - very hot or very cold
  - very humid
  - dusty
  - exposed to strong magnetic or electrical fields
  - exposed to strong vibrations
  - exposed to direct sunlight

---

**Important Information**

- **Battery:**
  - Ensure the battery is fully charged before use.
  - Keep the battery in a cool, dry place when not in use. Avoid leaving the battery in hot or cold temperatures for extended periods.

---

**Troubleshooting**

- **Memory Card:**
  - If the memory card is not functioning correctly, try a different card or use the card in a different device.

---
