

En Features Available with “C” Firmware Version 1.50

Updating the Z 7II/Z 6II “C” firmware from version 1.40 to version 1.50 gives access to the features described below. For information on features available with prior updates, see the *Z 7II/Z 6II Reference Manual*.

“Firmware Version”

To view the camera firmware version or update the camera firmware, select [**Firmware version**] in the setup menu.

Updates can be performed using a computer or smart device.

- **Computer:** Check the Nikon Download Center for new versions of the camera firmware. Information on performing updates is available via the firmware download page.

<https://downloadcenter.nikonimglib.com/>

- **Smart device:** If the smart device has been paired with the camera using the SnapBridge app, the app will automatically notify you when updates become available, and you can then download the update to the camera memory card via the smart device. For information on performing updates, see SnapBridge online help. Note that automatic notifications may not be displayed at exactly the same time as the updates are made available on the Nikon Download Center.

New “USB” Option

A [USB] option has been added to the setup menu. With this addition, an iPhone running the NX MobileAir smartphone app can now import pictures from a camera connected via a USB cable.

- Select [**MTP/PTP**] when connecting to computers or Android devices.
- Select [**iPhone**] only when connecting to iPhones via a third-party USB-C to Lightning cable in order to use NX MobileAir (for information on compatible USB-C to Lightning cables, see the online help for NX MobileAir).
- Whether or not the camera is connected to an iPhone, selecting [**iPhone**] will disable the features listed below. To access these features, select [**MTP/PTP**].
 - built-in camera network functions
 - the [**Wireless remote (ML-L7) options**] item in the setup menu
 - supplying power to the camera or charging the battery via USB (you will also not be able to supply power to the camera or charge the battery using an optional charging AC adapter)
- The NX MobileAir app is available from the Apple App Store® and Google Play™.
